

**Tithing envelopes are no longer dated**, therefore you may continue to use what you have left over. We have found that many people used just one envelope per month. If you do need more, please call the church office for a new booklet. If you request another booklet of envelopes, it will be placed on the table outside the hallway to the offices in the administration building. If you need it mailed, please let us know. If you have further questions, please call.  
Thank you. Margel Smith, Finance Chair phone 239-839-7653
