

FUMC Youth News

New Year, Fresh Ideas

There have been a lot of changes at FUMC in the past few years. One thing that hasn't changed is the importance and vitality of our youth program. We have a consistent group of about 20 students that walk through the church doors on Sunday evenings. We have a lot of hope for the future of our group, as well as each individual life that is touched through the youth ministry. Please continue reading for ways to get involved, to make a lasting impact– not only in the student's lives– but in your own life as well!

Calling All Volunteers!

One of our goals for the year is to bring together generations within our church family. We are trying to get teams of 4 together to donate their time & funds for the Sunday evening youth dinner. Feel free to bring a crock-pot full, order pizza, make chicken nuggets...whatever! The main goal is to get you building relationships with the kids, and we all know food is a great way to a teenager's heart. After dinner, we would love to have you join us for worship, icebreakers, a lesson, and games!

Mission Weekend– Leaving These Walls to Serve

Interested in mission work? Interested in building deep God-filled relationships? Interested in making a difference? Not able to spend a bunch of money to leave the area? We've got just the place for you!

FUMC Youth is joining with other church family members to plan a Mission Weekend. God calls us to serve those around us– so let's get excited about that and do it together! We will break up into work groups over the weekend and complete work for church members in need.

Everyone has something to offer. We will need hands to do physical labor, minds for planning and thinking through projects, hearts for people, and everything in between! Contact Michelle McGovern, Jaime Goss, or Trey Parker if you're interested in being a part of this exciting project.

If you haven't already.... Find our group on Facebook (type "YOUTH" in the search bar). It's a great way to stay informed, post encouraging scripture or notes (or clean funnies), and keep in touch throughout the week!
