

Praise Points:

God has been working on our behalf. It is important for me to start this update with thanksgiving and praise.

1. My wife is now registered as an RN in three states including Maryland, California and Washington DC. In fact, the Maryland registration covers 20 States.
2. God raised my return ticket to Nigeria for the summer mission trip.
3. Our daughter, Ihunanya, did so well in school. She had lots of prizes for her performances. We are proud of her.
4. We received a matching grant for the center we are building. This matching grant is to the limit of \$10000. Whatever we raise up to \$10000 will be matched by the donor.
5. I am through with this semester. At the end of this semester, I have completed 63 credit hours. I have only one course to do in the fall semester and then I can present my proposal and write my qualifying exams. From the Spring semester, I will begin my dissertation.
6. I have been teaching Sunday School every Sunday at African Methodist Episcopal Church here in Wilmore. It has been a very enriching time for me. There are many other testimonies; If I remember them I would share them. I must thank God for raising you for our family. We love you.

Prayer Request:

Pray for my trip to Nigeria. I am going with one of my school mates. His name is Matt Richard Sigler. Pray that God will work first in us to conform us to the image of Christ, and then work through us to bless people.

Pray that our goals for this trip will be fulfilled:

1. Spirituality
2. Video recording of MFCM efforts to make a DVD, VHS, and CD for mission mobilization
3. Teaching Classes at MFCTMI
  - Mission Education
  - Hermeneutics
  - Homiletics
  - Use of Computers
4. Research of Northern Muslim Villages
5. Outreaches
6. Visiting our Churches
7. Wedding of two of our children

8. Visiting family members
9. Helping Students at the University of Nigeria
10. Final Registration of MFCM in Nigeria

Pray for my family to be sustained while I am away. The Lord has been the One keeping us. We need Him even more at this time.

Pray for my junior brother and his fiancée. They need to come to ECHO. It is going to cost them \$3464 covering tuition, housing, feeding and insurance for 3 months. A cheque can be written to ECHO and the memo should read Financial support for Victor Nwoji and Amara Okengwu.

Would you please also pray for my wife to get a job? This would be very relieving for all of us. She needs a job before I come back.

We need to finish building the center in Nigeria. We need \$6000 to complete the two buildings that have already been started, and \$20000 for the elementary school building and the chapel.

One of my sons, Pastor Nnamdi Ikpe, has been admitted to school at the Asian Theological Seminary, Philippines. He needs an affidavit of support with a bank statement to support him. My bank statement cannot match the amount of money they are looking for. Please pray that we will find someone who would be willing to help out. He needs only \$300 per month for his support at the seminary.

May the good Lord bless you for caring so much to pray and support us financially. Thank you ever so much. Bye.

Stanley and Margaret Nwoji
